# TESTIMONIALS

Suggestive these postcards of Monsenhor enVide neFelibata that come from Portugal and that evoke the Future .... Even the aborigines in one of their creation myths say that the Great Baiame had descended in a whirlwind lifting sand and wind with three hundred men and three hundred women highly specialized ..... saying "Do not be afraid, I'm here to help you!" ..... who knows maybe they were creatures that already inhabited the Future.

Thanks for the beautiful images !!!
